BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri L. M. GHOSH, Judge,
Fourth Industrial Tribunal

On 10th April 1973 R. D. Sharma filed this application under section 33A of the Industrial Disputes Act, alleging contravention, etc. and praying for reinstatement. After receipt of the application, notice on the opposite party Company was served. Messrs Caledonian Jute Mills Co. Ltd. filed applications for time on several dates and finally filed a written statement on 25th June 1973. Thereafter the matter was fixed for hearing. The last date for hearing was fixed on 30th July 1974. On that date, Shri B. K. Mukherjee, learned Advocate for the Company, appeared. On behalf of the workman, Shri Phani Ghosh was engaged. Shri Ghosh was also physically present but submitted that he got no instructions from the workman concerned

for continuing the proceedings. The workman is absent. From the above facts it is clear now that the workman concerned is not interested in pursuing the matter. In the circumstances, the application under section 33A of the Act is rejected for non-prosecution.

This is my award.

AWARD

The Government of West Bengal, Labour Department, has referred an industrial dispute between Messrs Swastik Spring and Steel Works, P-36 India Exchange Place (5th Floor), Calcutta and their workmen represented by Motor Workers' Union, Calcutta, Howrah, 24-Parganas, Hooghly, 19/2A Pitambar Ghatak Lane, Calcutta-27, to this Court by its order No. 785-I.R./IR/10L-239/71, dated 15th February 1972, under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue:

Issue

Whether termination of services by way of refusal of employment to Shri Lakshman Yadav is justified? To what relief, if any, is he entitled?

Pursuant to the notice of reference the parties entered appearance and put in their respective written statements. The case of the Union is, in short, as follows:

The concerned workman Lakshman Yadav was a Driver employed under Messrs Swastik Spring & Steel Works (hereinafter referred to as the Company) on a monthly salary of Rs. 160 per month and had been rendering meritorious service for last 2 years. On 20th August 1970 the Company arbitrarily terminated his services by refusing employment to him without assigning any reason whatsoever. The workman made demands with the Company to reinstate him with back wages but to no effect.

The Company, in its written statement, has traversed the allegation made by the Union and in addition to that has raised a preliminary point alleging that the Union has no locus standi to espouse the cause of the workman since it does not represent the workman of the Company.

At the instance of the Company the reference was heard on a preliminary point touching the jurisdiction of this Court to entertain the reference.

The undisputed position is that the Union, namely Motor Workers' Union, is an outside Union of which the concerned workman is the only member employed in the Company. That has been candidly admitted by O.P.W.1 S. N. Roy Choudhury, General Secretary of the Union. The case of the Company is that such a Union has not the locus standi to espouse the cause of the concerned workman as already stated because no other workman of the Company, far less the majority, has supported the cause of the concerned workman. In support of such a contention the Company has examined P.W.1 S. S. Kejriwal, one of the Partners of the Company and has exhibited a document marked Ext. 1. It is the evidence of P.W. 1 that there were 7 or 8 other workmen employed in the Company when the alleged dispute arose and that none of them supported the cause of the concerned workman. Ext. 1 would corroborate such a position which goes to show that all the workmen numbering six made a representation to the Company stating that they do not support the cause of Lakshman Yadav and that Motor Worker's Union does

not represent them. Such a factual position could not be controverted by the Union.

Accepting that the Union has taken the stand that even if the concerned workman is a member of the outside Union which espoused the cause of the workers, an industrial dispute will come into existence. In support of that the Union has relied on a Single Bench decision of the Calcutta High Court reported in 1974 L.I.C., 368. In that case the dismissed workmen were employees of a firm and there was no Trade Union of the workmen of the said firm, but the dismissed workmen were members of a stranger Union. His Lordship held that the Union can espouse the cause of the dismissed workmen even if there was no evidence as to whether a substantial section of the workmen of the petitioner-firm espoused the cause of the dismissed workmen.

To repeal that argument the Company has relied on another Single Bench decision of the Calcutta High Court, in the case of Messrs Mitsubishi Shoji Kaisha Ltd. reported in 1973 Vol-1, L.L.J., page 146. In that case 21 out of 25 employees of the petitioner--employer were neither members of the outside Union nor interested in the dispute. The Tribunal found that 3 of the workmen were members of the outside Union and on that basis it held that it was an industrial dispute. But his Lordship set aside the above finding of the Tribunal and remanded the case back for further enquiry as to whether the Union had representative character in the light of the test indicated in the judgement. "The test was that a dispute can only become an industrial dispute provided it is raised between the employer and the workmen and provided further that the workmen concerned are such that they can affect the working of the particular industry. Such an effect or impediment can be caused by a substantial number of the workmen. It may be caused by a particular type of work done by the workmen concerned. It would depend upon the facts and circumstances of each case." In the present case before me the concerned workman is only a motor driver engaged in the Company and it is the evidence of P.W. 1 that the Company carries on business of supplying machine parts to different Government undertakings and has no concern with the Motor Transport Industries. P.W. 1 has further stated that there was no impediment in the work of the Company after the workman concerned left the Company. The ratio of the decision of the case cited by the Company, if applied to the facts of the present case, would certainly support the contention of the Company.

There is also another single bench decision of the Calcutta High Court reported in 1963 Vol-1, L.L.J. 163 (Gobardhan Das and Jeerambhai Vs. Sixth Industrial Tribunal). The facts of that case are, shortly, as follows:

"A partnership firm was carrying on business in the export of gunny and tea by employing about 25 workmen. At the relevant time 5 employees were working in the tea department. Two out of such five workmen were members of a General Union at the relevant time. One of such workmen was retrenched from service and the dispute in regard to this retrenchment was referred for adjudication at the instance of the General Union.

Quashing the award made by the Labour Court His Lordship held that when an individual dispute is taken by a class of workmen, it becomes an industrial dispute and loses its individual character. When a Union unconnected with the employer idustry concerned takes up the cause of a dissatisfied workman, the dispute does not automatically transform itself from an individual dispute to an industrial dispute. The real test is whether the stranger Union has the backing, sympathy or collaboration of the majority or a large section of the workmen employed in the particular industry and such workmen feel themselves concerned in the dispute". Appplying that test to the facts of the present case I am bound to hold that the Union does not fulfil the requirements to convert the individual dispute of Lakshman Yadav into an industrial dispute.

The position is further clear from a division bench judgement of Calcutta High Court reported in A.I.R. 1963 Calcutta 548 (Srinivas Fatepuria Vs. N. C. Chatterjee). In that case the legal position has been summarised as follows:

"The law therefore is that an outside union can by supporting individual workman, convert an individual dispute into an industrial dispute only if a large number of workmen of the industrial unit concerned in the dispute or a majority of them are members of such a Union". Applying that position of law to the facts of the present case it is at once clear that the outside Union, namely Motor Workers' Union of which the concerned workman is the only member employed in the Company has not the locus standi to represent the workmen of the Company. Nor by its espousal it can convert the individual dispute of Lakshman Yadav into an industrial dispute.

From the aforesaid discussions it is clear that the weight of authority is decidedly in favour of the company and the three decisions including the Division Bench judgement of the Calcutta High Court must be accepted in preference to the Single Bench decision cited by the Union. Accordingly, I must conclude that the Union has not the representative character to espouse the cause of Lakshman Yadav to convert his individual dispute into an industrial dispute within the meaning of section 2(k) of the Industrial Disputes Act. So the reference is bad in law and cannot be adjudicated upon.

This is my award.

AWARD

By the Government of West Bengal, Labour Department, order No. 6333-I.R./IR/4L-55/70, dated the 8th September 1970, an industrial dispute between Messrs Hijli Co-operative Transport Society Ltd., P.O. Contai, Midnapore, and their workman Sk. Fakir Mohammad, village Bahargram, P.O. Panskura, district Midnapore, was referred to this Tribunal under section 10 read with section 2A of the Industrial Disputes Act, 1947, for adjudication, in respect of the following issue:

Issue

Whether the termination of service of Sk. Fakir Mohammad is justified? To what relief, if any, is he entitled?

After service of notices, both the parties appeared and filed their respective written statements.

Some preliminary objections were raised by the Company and they were heard. By order No. 13, dated 16th June 1971, the preliminary points were decided. It was found that the Tribunal had jurisdiction to decide the case. Then after various stages, hearing on merits commenced on 21st January 1974. The Union closed evidence. The Company examined some of its witnesses. The case was finally fixed on 22nd July 1974 for further hearing. On that date, the workman concerned filed a petition stating that he did not intend to proceed with the case. The workman has further been examined here. Even on the box, he has accepted the position that he does not pursue the dispute. Thus, it is abundently clear that the dispute has ceased to exist. As there is no longer any dispute between the parties, a no dispute award is to be passed. Accordingly, I pass this award of no dispute.

AWARD

On 25th May 1974 this Tribunal received the present reference under Labour Department G.O. No. 4016-I.R., dated 20th May 1974, referring an industrial dispute between the parties herein with the following issues for adjudication:

Issue

1. Grades and Scales of Pay.
2. Dearness Allowance.

On that very day, notices were issued in Form D-2 of the West Bengal Industrial Disputes Rules, 1958, requiring the parties to appear before this Tribunal on 14th June 1974. On 14th June 1974 it appears that both the parties entered appearance. Mr. K. K. Maitra, Vice-President of Assam, West Bengal, Orissa and Bihar Employers' Association, entered appearance on behalf of the management. Mr. R. Singh, Secretary, appeared for the workmen represented by Messrs Ruby Industries Employees' Union. I directed the said Union to file their statement of facts on or before 24th June 1974. On 24th June 1974 no statement of fact was filed by the Union nor any step was taken. To give them one more chance, I extended the time for filing the statement of facts till 11th July 1974. On 11th July 1974 Mr. D. L. Sen Gupta appeared for the Union and filed a petition with a prayer for granting a short adjournment for filing the statement of facts by way of last chance. I allowed the prayer and extended the time till 20th July 1974 for filing the statement of facts by the Union. On 20th July 1974 neither Shri R. Singh nor Shri D. L. Sen Gupta appeared before this Tribunal, nor they filed any statement of fact and no step was taken by either of them. Inspite of the same, for ends of justice, I extended the time suo motto till 31st July 1974 for filing the statements of facts by the Union.

It is now 12.30 p.m., none of the parties is found present inspite of repeated calls. In the premises I hold, in terms of Rule 22 of the West Bengal Industrial Disputes Rules, 1958, that as none of the parties is found present, the industrial dispute under reference is no longer in existence.

This is my award. The reference is disposed of accordingly.

Shri A. K. NAYAK, M.A., LL.B.,
Judge, First Industrial Tribunal.

AWARD

By Labour Department order No. 4708-I.R./IR/8L-37/70, dated 11th June 1970, the Governor was pleased to refer the instant dispute between Messrs (1) Haldibari Co-operative Powerloom Society Ltd., (2) Siliguri Co-operative Powerloom Society Ltd., (3) North Bengal Co-operative Powerloom Society Ltd., (4) Jalpaiguri Powerloom Co-operative Society Ltd., and (5) Tista Valley Powerloom Co-operative Society Ltd., all situated at 95/1/3A Cossipore Road, Calcutta-2, on the one hand and their workmen represented by Cossipore Powerloom Co-operative Society Employees' Union, 1/3 Nebu Bagan Lane, Calcutta-3, on the other, under section 10 of the Industrial Disputes Act, 1947, to the First Industrial Tribunal constituted under notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication, on the following issues:

(1) Revision of existing wages.
(2) Introduction of D. A.
(3) Attendance Allowance.
(4) Leave and Holidays.
(5) Attendance Card.
(6) Weekly rest day for Fitters, Drawers, Drawer Helpers, Durwans and Checkers.
(7) Permanency.
(8) Tiffin Allowance.
(9) Night Shift Allowance.
(10) Washing Soap and uniforms.
(11) Whether the workmen are entitled to any additional bonus over and above the bonus already paid for the accounting year 1968-69? If so, what should be the quantum?

On receipt of the above reference, notices were issued on Messrs (1) Haldibari Co-operative Powerloom Society Ltd., (2) Siliguri Co-operative Powerloom Society Ltd., (3) North Bengal Co-operative Powerloom Society Ltd,. (4) Jalpaiguri Powerloom Co-operative Society Ltd., and (5) Tista Valley Powerloom Co-operative Society Ltd., and their workmen represented by Cossipore Powerloom Co-operative Society Employees' Union directing them to appear on 6th August 1970.

The service return from Tista Valley Powerloom Co-operative Society was received back and not from other Companies and the Union on the first date. The Union appeared on the next date, i.e., on 7th September 1970 and took time on several subsequent dates to file written statement. The parties became absent on several subsequent dates. The Union at last filed written statement on 7th December 1971. Written Statement only on behalf of Messrs Tista Valley Powerloom Co-operative Society Ltd., was filed in January 1972. A preliminary objection was raised on behalf of the Company for hearing on 18th April 1972. It was found on 6th June 1972 that notices have not been served on three other Companies, namely, Messrs (1) Siliguri Co-operative Powerloom Society Ltd., (2) North Bengal Co-operative Powerloom Society Ltd., and (3) Jalpaiguri Powerloom Co-operative Society Ltd., and as such notices were issued afresh on them. Notice was duly served on the first of the aforesaid three Companies, but they did not appear. Service returns were not received from the other two Companies as it will appear from the order, dated 28th July 1972. From the subsequent orders in the order-sheets it will appear that the notice had not been served upon them for want of correct address and as such Labour Department was approached to furnish the same. The parties remained absent for a long time since 1972 and correct address of the said Companies could not be obtained from the Labour Department inspite of repeated attempts from this Tribunal. This will be evident from series of orders passed in the order-sheets. In other words, the order-sheets will show that parties chose to remain absent for a continuous period of so many months and even years. It will be apparent, therefore, from the order-sheets that the parties are not interested in diligently proceeding with this case probably for the simple reason that no dispute is in existence as contained in the reference, between them. It seems, therefore, to be a fit case for the continuous non-appearance of both sides where a 'no dispute' award should be passed for non-existence of any industrial dispute and this is passed accordingly.

This is my award.

ANNEXURE

In the matter of an industrial dispute between Messrs Chowgule Co. (Hind) Pvt. Ltd., 7 Chittaranjan Avenue, Calcutta-13 and their workmen represented by Commercial Employees' Union (Calcutta), 12A Nataji Subhas Road, Calcutta-1. (Case No. VIII-103/74.)

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri S. R. ROY, Judge,
Second Industrial Tribunal.

By its order No. 4020-IR/IR/11L-120/74, dated the 20th May 1974, the Labour Department, Government of West Bengal, referred an Industrial Dispute between Messrs Chowgule and Co. (Hind) Pvt. Ltd., 7 Chittaranjan Avenue, Calcutta-13 and their workmen represented by Commercial Employees' Union (Calcutta), 12A Netaji Subhas Road, Calcutta-1, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue :

Issue

Whether management is justified in curtailing holidays on 30th June, and 31st December, i.e., half-yearly closing and yearly closing of Bank Accounts from the list of holidays of the workmen? What relief, if any, the workmen are entitled to?

The reference was received by this Tribunal on 3rd June 1974 and notices were issued to the parties fixing 20th June 1974 for appearance. The Company entered appearance on the dates fixed and filed their authority. The Union also appeared and the case was adjourned to 4th July 1974 for filing written statement by the Union. On 4th July 1974 the copy of a letter, dated 26th June 1974, addressed by the Union to the Manager of the Company, was received by this Tribunal. The letter shows that the Union is no longer interested on proceeding with the case. The case was then adjourned to

22nd July 1974 for orders in presence of the parties. However, on that date none of the parties appeared and no steps were also taken. That being so, the case was adjourned to 23rd July 1974 for passing a no dispute award, on the footing that the dispute under reference is no longer in existence.

As it appears, the reference was made at the instance of the Union and the Union's letter, dated 26th June 1974, shows that it is no longer interested to proceed with the case. The letter further shows that the Union came to this decision on the basis of its discussion with the management. This indicates that the dispute under the reference has been amicably settled by the parties outside the Tribunal and it is no longer in existence. As a matter of fact the parties also did not take any steps on 22nd July 1974, and even on 23rd July 1974.

That being so a 'no dispute' award is passed on the footing that the dispute under reference is no longer in existence.

This is my award.

AWARD

The Government of West Bengal by its Labour Department order No. 3304-IR/IR/11L-340/73, dated the 3rd April 1974, referred an industrial dispute between Messrs Sree Ma Cinema, Khardah, 24-Parganas, having their Head Office at 221-1 Rash Behari Avenue, P.O. Ballygunj, Calcutta-19, and their workmen represented by Bengal Motion Picture Employees' Union, 13/1 Creek Lane, Calcutta-14, to this Tribunal for adjudication of the following issue:

Issue

Whether the closure of the Cinema with effect from 24th May 1973 is real? What relief, if any, are the workmen entitled to?

On 10th April 1974 the present reference was received by this Tribunal from the office of the Labour Department of the Government of West Bengal for adjudication of the dispute between the parties herein on the issue as indicaed above.

On that very date notices were issued under registered cover requiring the parties to enter appearance before this Tribunal on 26th April 1974. Parties duly entered appearance and filed their respective written statement, and finally the case was made ready for hearing. At the instance of the parties the hearing was adjourned from time to time on the ground that a talk of settlement was going on between the parties. Ultimately on 25th March 1975 the parties filed a joint petition of compromise before this Tribunal with a prayer for passing an award in terms of the said petition of compromise.

I have carefully gone through the petition of compromise including the annexure and I do not find any illegality and/or otherwise of the said compromise petition. In the premises I accept the petition of compromise and propose to pass an award on the basis of the said petition of compromise which I hereby do. Let the petition of compromise along with its annexure be a part of the said award.

This is my award.

Dictated and corrected by me.

P. K. ROY,
Judge.

LABOUR DEPARTMENT

ORDER

No. 4485-I.R./IR/7L-5/74(Pt. 2).—30th October 1975.—Whereas under the Government of West Bengal, Labour Department order No. 4962-I.R./IR/7L-5/70(Pt.), dated the 24th August 1972, the industrial dispute between Messrs Howrah Mills Company Ltd., 493/C G. T. Road (South), Howrah (Regd. office at 4 Clive Row, Calcutta-1), and their workmen represented by (1) Howrah Jute Mill Co. Ltd. Shramik Union, 7 Atindra Mukherjee Lane, Sibpur, Howrah-2, and (2) Bengal Chatkal Mazdoor Union, 34 P. M. Bustee 2nd Bye-Lane, Shibpore, Howrah-2, regarding the issue mentioned in the said order being a matter specified in the Third Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred to the First Industrial Tribunal for adjudication;

And whereas during the pendency of proceedings before the said Industrial Tribunal Sm. Pairi Debi, 7 Atindra Mukherjee Lane, Shibpur, Howrah, a workman of the said Company, made a complaint in writing to the said Industrial Tribunal against the said Company alleging that the said Company had discharged the said workman concerned in such dispute;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Industrial Tribunal has adjudicated upon the said complaint and submitted its award to the State Government;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an application under section 33A of the Industrial Disputes Act, 1947 filed by Sm. Pairi Debi, 7 Atindra Mukherjee Lane, Shibpur, Howrah, against her employer Howrah Mills Co. Ltd., 493/C G. T. Road (South), Howrah (G.O. No. 4962-14/112/72-5/70, dated 24th August 1972) (Case No. 27/74)

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

Shri S. AHMED, M.A., LL.B., Judge,
First Industrial Tribunal

Appearances:

For the workman:

For the company: Shri J. N. Chatterjee and Shri P. K. Mookherjee, Advocates.

AWARD

This is an application under section 33A of the Industrial Disputes Act filed by the workman. The workman's case is that the Government of West Bengal in the Labour Department by its order No. 4962, dated 24th August 1972, referred an industrial dispute between the Management and the Workmen to this Tribunal. During the pendency of that dispute this workman was dismissed from her services on 9th August 1974. She prayed for reinstatement and back wages. The Company appeared and filed written statement wherein they raised two preliminary objections. According to the Company,

as the parent reference has been held to be incompetent this petition does not lie. It also contended that the concerned workman was a temporary workman and she was not concerned in the present dispute. It appears from the petition of the workman that she was dismissed on 9th August 1974. On that date no industrial dispute was pending adjudication in this Tribunal. Therefore, question of violation of section 33 does not arise at all. The Company has filed Ext. 1 to show that my learned predecessor-in-office has found that the present reference was incompetent. I was led through the order of the learned predecessor. The learned Advocate for the workman urged that it will appear from the order that as the workmen agreed to waive their claim for wages, the learned Tribunal in fact rejected their claims. It cannot be found according to the learned Advocate from the order that for a legal lacuna the reference is found to be invalid. I have perused the order, Ext. 1, passed by my learned predecessor. He has categorically found that the impugned order of reference was bad in law. On that finding he has concluded that the reference was incompetent. There is no scope of urging that the reference has not been found to be invalid and incompetent by my learned predecessor. In this view of the matter the present petition under Section 33A must fail. It is accordingly ordered that the petition be and the same is hereby dismissed.

This is my award.

Dictated and corrected by me.

S. AHMED,
Judge.

AWARD

The above industrial dispute over the issue given in the order of reference and reproduced below was referred to this Court, for adjudication, by the Government of West Bengal, in its Labour Department order No. 3420-IR|IR|10L-102|72, dated 11th April 1974:

Issue

Is the mination of services of Shri Parimal Kumar Biswas, by way of refusal of employment to him with effect from 8th October 1973 justified? To what relief, if any, is he entitled?

Pursuant to the notice served on the parties they appeared and filed their written statements. While the case was thus pending the parties, on 29th September 1975, filed a joint petition of compromise and prayed to pass an award in terms of the settlement arrived at by them.

Persued the compromise petition. The terms are fair and reasonable. The Company has agreed to pay a sum of Rs. 4,348 to the workman and a sum of Rs. 600 has been paid to the workman today for which he has granted a receipt. The remaining

money shall be paid by the Company to the workman in three equal instalments. The Company has been given liberty to give job to the workman or not. But he will be given a service certificate and the Company shall arrange to get Provident Fund amount from the Provident Fund Commissioner. Therefore I dispose of the reference in terms of the compromise petition which do form part of this award.

(2) An employee, who absents himself from duty without leave or overstays his leave, except under circumstances beyond his control, for which he must tender a satisfactory explanation, shall not be entitled to draw any pay and allowances during such absence or overstayal. Such unauthorised absence would be treated as misconduct and the employee shall further be liable to such penalties for misconduct as the Managing Director may deem fit. The period of such absence or overstayal may, if not followed by termination of services under regulation 15 or dismissal under regulation 36, be treated as period spent on ordinary, sick, special or extraordinary leave, as the Managing Director may determine.

Failure on the part of an employee to inform the Managing Director will render him liable to disciplinary action.

(3) An employee may be placed under suspension by the Managing Director. During such suspension the employee shall receive subsistence allowance at the rate not exceeding one-fourth of his substantive pay plus dearness allowance at the rate admissible on the amount of subsistence allowance provided that if the suspension is subsequently held to be wholly unjustified and the emloyee is fully exhonerated, the period of suspension shall be treated as on duty and the employee shall be entitled to the difference between his subsistence allowance and the emoluments which he would have received, but for such suspension, for the period he was under suspension. In any other case, i.e., where the period of suspension is not treated as on duty but as leave or suspension, the employee shall be entitled only to such proportion of pay and allowance as it may be decided after deducting the amount of subsistence allowance and dearness allowance drawn during the period of suspension; provided that no order shall be passed which shall have the effect of compelling the employee to refund the amount drawn by him by way of subsistence and dearness allowances during the period of suspension.

(e) it is addressed to an authority to which no appeal lies under these regulations.

(f) it is not preferred within six months after the date on which the appellant was informed of the order appealed against and no reasonable cause is shown for the delay.

(a) the prolonged absence from the headquarters is necessary in the interests of the Corporation; and

(b) the grant of halting allowance for a further period is essential to avoid hardship to the employee.

(2) In any case, in which the limit is extended in pursuance of the proviso to sub-regulation (1), it shall be open to the Managing Director to reduce the rate of allowance to such extent as he may deem appropriate.

Except in special circumstances to be decided by the Board, halting allowance should be allowed after first ten days and halting allowances should cease after the expiry of sixty days from the commencement of the halt.

106. **Authority to pay halting allowance at a higher rate:** The Managing Director may authorise the payment of halting allowance at a rate higher than that admissible under regulation 105 where an employee had to halt at a place, which is considered to be specially expensive, provided that this discretion shall not be exercised unless on proof being furnished the Managing Director is satisfied that the grant of halting allowance of a higher rate is essential to avoid hardship to the employee, and provided further that the increase shall not, for any day, exceed 50 per cent. over the rate admissible under regulation 105.

AWARD

The Government of West Bengal, in Labour Department, has referred an industrial dispute between Messrs. Hindusthan Steel Ltd., Durgapur Steel Plant, Durgapur-3, and their workmen represented by Hindusthan Steel Workers' Union, 6/2 Guru Nanak Avenue, A-Zone, Steel Township, Durgapur-5, by its order of reference No. 1166-I.R./IR/10L-5(K)/72, dated 26th February 1974, to this Tribunal under section 10 of the Industrial Disputes Act for adjudication, on the following issue:

Issue

1. Whether Shri A. K. Sanyal and Shri C. R. Joarder, Turner Grade II, should get promotion to the post of Turner Grade I with effect from 3rd March 1966? To what relief, if any, are they entitled?

After receipt of the order of reference, notices were issued to the parties fixing 29th March 1974 for appearance, when the parties appeared. Thereafter, both the Pititioner-Union and the O.P.-Company have filed their respective written statements.

The Petitioner—Union's case is that the O.P.-Company employs about 29,000 workmen at its Plant at Durgapur, and the workmen were classified according to their occupation and trade. The concerned workmen Shri A. K. Sanyal and Shri C. R. Joardar were appointed on 5th September 1960 and 4th September 1960 respectively as Turner Grade III and both of them were subsequently promoted as Turner Grade-II on 18th October 1962 on their merits and ability. They were made to appear in a Trade test held on 21st October 1965 for the purpose of promotion as Turner Grade-I, but because of defective machines, they got 4 marks and 2 marks short respectively than the required marks. Shri S. C. Bose, Foreman (Mech. Maintenance), Coke Ovens, assured them of grace marks and also suggested as such to declare them successful in view of the machines, in which their trade test was conducted, being defective, and the fact would appear from the contemporaneous letters, dated 4th March 1966, 3rd May 1966 and 12th May 1966, written by the Petitioner—Union to the O.P.—Company and by the Senior Personnel Officer to the Chief Mechanical Engineer and to the Petitioner—Union respectively. But in disregard of such assurance and established norms and standard of examination, amounting to breach of faith and violation of the principles of natural justice, the Personnel Manager refused to grant the grace mark and both the concerned workmen were declared unsuccessful. This was an arbitrary and illegal act by the Personnel Manager, outside his authority to the serious prejudice of the above-said two workmen and causing them financial losses. They should have been declared passed without fresh examination and promoted as Turner Grade-I with effect from 3rd March 1966 along with others promoted on the basis of the trade test held in batches commencing from 21st October 1965. The scales of pay of the Turners in Grade-I and Grade-II in 1965 and 1970 were as follows:—Turner Grade-I—Rs. 168 — 8 — 290, Turner Grade-II — Rs. 135—5—175, D. A. for both was Rs. 57.50 per month to Rs. 95 per month. The said scale of pay of the Turners Grade-I and Grade-II were revised in December, 1970, as follows:—Turner Grade-I—Rs. 290—10—410, Turner Grade-II—Rs. 255—6—327, D. A. for both being Rs. 142.50 per month at present. The arrangement indicated by the Personnel Manager that the results of the other examinees would be kept in abeyance and could not be given effect to till the re-examination of the concerned workmen was held, was also not observed and without giving any intimation to them about any fresh trade test, other workmen were promoted as Turner Grade-I on the basis of the results of the test held in batches commencing from 21st October 1965 and amongst them, excepting Shri J. C. Sarkar, the others were junior to both the concerned workmen. The O.P.—Company's action was highly illegal and irregular in proceeding with the aforesaid trade test in 1965 and to the prejudice of the concerned workmen. The Petitioner—Union by its letter, dated 30th May 1966, to the O.P.—Company demanded a categorical answer as to whether the trade testing officer conducted the case in a defective machine and whether he assured of grace marks, but there was no reply. The assurance of the trade testing officer in all such tests was highly relevant and final. The O.P.—Company made a significant departure from all past practices, usage, tradition and rules. The O.P.—Company by its letter, dated 4th November 1966, came out with a false plea that in spite of notices to appear in trade tests on 10th May 1966, 31st May 1966 and 24th June 1966, none of the concerned workmen appeared in the tests and that was the reason for not promoting them to Turner Grade-I. Shri A. K. Sanyal appeared in a second test on 10th February 1967, but this time also his machine was defective and no consideration for that was made. The O.P.—Company took the false plea again that he was given lost-time and his machine was corrected afterwards. Shri A. K. Sanyal then appeared on 9th July 1971 and was declared passed on 7th August 1971. But on the plea of absence of vacancy, his promotion to Turner Grade-I was delayed and when a vacancy was shown, Shri B. Chakraborty, who is junior to him, was promoted to that post with effect from 30th May 1972. In the case of Shri Chakraborty, the plea taken was that he passed earlier than Shri Sanyal. Shri A. K. Sanyal himself wrote a series of letters to the O.P.—Company, which have been specifically mentioned seeking redress, but to no effect. The Petitioner—Union ultimately referred the industrial dispute to the Conciliatory Authority and conciliation proceedings were held, but to no effect, resulting in the present order of reference. The Petitioner—Union's case is that both the concerned workmen be held to have passed the trade test held on 21st October 1965 and be promoted as Turner Grade-I with effect from 3rd March 1966 and their pay be accordingly fixed with effect from the said date with revision in 1970 and also the payment of arrears be paid to them, their seniority being counted as such. It has been alternatively claimed that the trade test result of Shri Sanyal in 1971 be deemed to be his result in the test held on 21st October 1965 and accordingly the relief claimed being given to him, without prejudice to the rights and claims of Shri Joardar. Alternatively again, the Petitioner—Union prays for exempting Shri Joardar from the trade test and also for his automatic promotion being efficient and experienced hand as a Turner Grade-II.

The O.P.—Company admits the case of appointment of the concerned workmen and their promotion as Turner Grade-II. But it is their specific case that the promotions were by taking into consideration not only their merits and ability, but also other facts such as qualification, length, quality of service, experience and suitability to be adjuged on the basis of confidential report, trade test, or interview. It has been denied that Shri Sanyal and Shri Joardar got 4 marks and 2 marks respectively short than the required marks because of defective machines in their trade tests held on 21st October 1965. It is also the O.P.—Company's case that the machines, on which their trade tests were taken were in proper condition, but during the course of the trade test some defects were brought to the notice of the Trade Testing Officer in the machines, which were promptly rectified and the concerned workmen were given one hour extra time each to complete the test to compensate the loss of time, but both of them failed in the said test. There is no question of defect in the trade testing machines so far the trade test of Shri Joardar is concerned, rather the result of the trade test shows that he passed in the practical and failed in the theoretical examination meant for passing the prescribed trade test for promotion as Turner Grade-I. The O.P.—Company has denied that Shri S. C. Bose, Foreman (Mech. Maintenance), Coke Ovens, assured the examinees of grace marks and suggested according of grace marks in their cases to declare them successful in view of the machine being defective and that the Personnel Manager refused to grant grace marks to the concerned workmen in disregard of the assurance as such. On the representation of the concerned workmen, it was decided to withhold the result of the said trade test until the result of re-trade test of the concerned workmen are out, for which they were given a number of chances for reappearing in the trade tests on 10th May 1966, 31st May 1966, 24th June 1966, despite which they refused to reappear in the said trade tests on the said dates without any reason. As a result, the O.P.—Company filled up the vacant posts according to the rules. Shri A. K. Sanyal appeared in the trade test held on 10th February 1967, when he again complained as to his machines, in which he gave the test. This time the machine was checked up and he was given one hour extra time to complete his test, but unfortunately he failed. Thereafter only Shri Sanyal appeared in the trade test on 9th July 1971 and was declared passed on 7th August 1971. It is denied that the result of the trade test was not kept in abeyance till the concerned workmen were given further chance of re-examination of their cases or that they were not given any intimation about their fresh trade test as alleged. The promotion to the higher grade on the result of the trade test is given not on the seniority basis alone as such the allegation that one Shri J. C. Sarkar, who was promoted on the result of the said trade test was junior to Shri Sanyal and Shri Joardar is misconceived and irrelevant. If any machine at the time of trade test is found to be defective, it is immediately rectified and extra time is allowed to a workman, who works on the said machine, to compensate the loss of time for rectifying the said defect and in this case, Shri Sanyal was given one hour extra time to compensate his loss of time on 10th February 1967. The O.P.—Company by its letter, dated 4th November 1966, has disclosed the real state of affairs as to chance being given to the concerned workmen for appearance in different trade tests on specific dates mentioned therein and this deprived the concerned workmen of their chances of promotion. Shri B. Chakraborty was promoted to the post of Turner Grade-I since 30th May 1972, as though junior to Shri A. K. Sanyal, as he passed the earlier trade test and as per the rules of the O.P.—Company, he was promoted earlier. Shri A. K. Sanyal's passing the trade test held on 9th July 1971 cannot be deemed to have any effect from 3rd March 1966. The concerned workmen are not entitled to any relief as prayed for.

There is a volume of admitted facts in the present industrial dispute, which must be considered first.

Admittedly, the concerned workmen Shri A. K. Sanyal and Shri C. R. Joardar, appointed as Turner Grade-III were subsequently promoted as Turner Grade-II. Thereafter, they were made to appear in a trade test held on 21st October 1965 for the purpose of promotion as Turner Grade-I, when the machines, in which their tests were held, were found to be defective. Ext. 1 is a representation in the matter by the Vice-President of the Petitioner—Union to the Senior Personnel Officer (Services), dated 4th March 1966. Ext. 2 is a copy of the letter, dated 3rd May 1966, by the Senior Personnel Officer (Plant) to the Chief Mechanical Engineer in this respect, wherefrom it appears that Shri S. C. Bose, Foreman (M. M.), Coke Ovens, was of opinion, considering that the machines, in which the trade tests was conducted, were defective, of allowing grace marks and on a reference to the Personnel Manager, he agreed that the concerned workmen should be allowed to reappear for the trade test and till such time their trade test result is out, the result of the department, as a whole, should be kept pending and if the concerned workmen came out successful, they would be considered at par with the other workers, who appeared for the trade test along with them on 21st October 1965. By the same letter, the Senior Personnel Officer (Plant) requested the Chief Mechanical Engineer to direct the concerned workmen to reappear for the trade test accordingly. Ext. 3 is a letter sent to the Vice-President of the Petitioner—Union from the Senior Personnel Officer (Services) intimating him of the decision that both the concerned workmen would be re-trade tested and the result of the earlier trade test for the department as a whole would be kept in abeyance till the result of the re-trade test is available and they would be treated at par with other workers, who have already appeared in the trade test. Ext. 4 is a further representation by the Vice-President of the Petitioner—Union to the Senior Personnel Officer (Services), dated 30th May 1966, for convening a labour board meeting to settle up the issue. Ext. 5 is a reply thereto, dated 31st May 1966, by the Senior Personnel Officer(s) to the Vice-President of the Petitioner—Union requesting him to consider the position taken by the management by the letter Ext. 3, dated 12th May 1966. It seems that this arrangement has not been seriously disputed by the Petitioner—Union or the concerned workmen thereafter, though in the written statement filed by the Petitioner Union, the Personnel Manager's action in not allowing grace marks, as suggested by the trade testing officer, and the alternate arrangement

of a re-trade test keeping the results in abeyance and consideration of the case of the concerned workmen at par with the other workmen, who passed the trade test held on 21st October 1965, was also challenged as an arbitrary act without authority. But this seems to be the real case of the concerned workmen before the Tribunal at the time of hearing of the present industrial dispute, as they have relied upon the O.P.—Company's failure to give effect to the procedure suggested by the management in letter, Ext. 3, dated 12th May 1966 and reiterated by the subsequent letter, dated 31st May 1966. This seems to be even the prevalent case in the Petitioner—Union's written statement itself as the relief sought for is of promotion to the post of Turner Grade-I since 3rd June 1966, on which date, the workmen, who passed the trade test on 21st October 1965 were promoted as such.

The learned lawyer for the O.P.—Company urges that the O.P.—Company was justified in not giving promotion to the concerned workmen as Turner Grade-I. To justify the action of the management, he relies upon the fact that under Standing Order No. 22 of the Certified Standing Orders of the O.P.—Company, promotions are to be given on consideration of relevant factors such as qualifications, length and quality of service, experience and suitability to be adjudged on the basis of the confidential reports, trade tests or interviews and not merely on passing of a trade test by the workmen. He next urges that re-trade test must be held in accordance with the rules of re-trade test and it is incumbent for the workmen according to the such rules to apply for the same, but the concerned workmen have not appeared in re-trade test after filing necessary applications in requisite forms. It is the admitted case of the parties that the concerned workmen C. R. Joardar never appeared in a re-trade test thereafter, whereas Shri A. K. Sanyal appeared in a consequent re-trade test on 10th February 1967 and as per him, on this occasion also the machine was defective, though the management's case is otherwise and is of removal of the defect of the machine during his trade test allowing him suitable compensating time for the loss of time so incurred. Shri A. K. Sanyal thereafter has appeared in a re-trade test on 9th July 1971 and was declared passed on 7th August 1971. The learned lawyer for the O.P.—Company lastly urges that the management has sent due information to the concerned workmen for appearance in a re-trade test verbally, but still the concerned workmen have not so appeared in re-trade test even after due notice.

The learned lawyer for the Petitioner—Union urges that only on consideration of the relevant facts as to qualifications, length and quality of service and experience being satisfactory, a workman is called to appear in a trade test for adjudging his suitability. He also relies upon Ext. H, a circular, dated 3rd October 1963, Ext. H/1, a circular, dated 4th February 1965 and Ext. G, a memorandum of settlement, dated 30th October 1964, to urge that whenever a workman called to a trade test comes out successful, he is to be promoted to the next higher post on arising of a vacancy and that is the import of Standing Order No. 22 read with the circulars Exts. H and H/1, dated 3rd October 1963 and 4th February 1965 respectively as well as the memorandum of settlement, Ext. G, dated 30th October 1964. He next urges that it was incumbent upon the O.P.—Company to call the concerned workmen in a re-trade test as per the arrangement proposed by the letters, Exts. 3 and 5, dated 12th May 1966 and 31st May 1966, by the Senior Personnel Officer (Services) to the Petitioner—Union. He also urges that the O.P.- Company has not only failed to arrange for any such re-trade test of the concerned workmen, but also failed to keep the result of the trade test held on 21st October 1965 in abeyance nor considered the case of Shri A. K. Sanyal, who has already passed in trade test on 7th August 1971 for the purpose of giving him the seniority as Turner Grade-I since 3rd March 1966 at par with other successful candidates in the trade test of 21st October 1965.

I take up these points one by one and the question of promotion first.

It is never the case of the O.P.—Company anywhere in its written statement that any of the concerned workmen could not be given any promotion as Turner Grade-I because of consideration of any of the relevant factors such as their qualifications, length and quality of service and experience, but it seems to be the specific case of the O.P.—Company not only in its written statement filed in the present industrial dispute, but even from the letters, Exts. 3 and 5, dated 12th May 1966 and 31st May 1966, that the result of the trade test only stands as a bar to the promotion of the concerned workmen as Turner Grade-I and for being considered at par with others appearing in the trade test on 21st October 1965, who came out successful. It appears from the circular Ext. H, dated 3rd October 1963, that the trade tests are to be treated as the basic requirement for consideration of promotion to higher grades and those, who qualify in the trade test, would be called for interview before the Promotion Committee, which would take into consideration (i) service record, (ii) amenability to discipline, (iii) attendance, and (iv) seniority for placing them in the panel. Ext. H/1 is the circular, dated 4th February 1965, making an alteration that normally 3 seniormost candidates should be sent for trade testing for each vacancy and before such names are sent, the personal records of the candidates would be scrutinised so as to obviate the necessity of any further interview of scrutiny after the trade test has been done. Ext. G, the memorandum of settlement, dated 30th October 1964 confirms the procedure for promotion as stated in the circular, Ext. H, dated 3rd October 1963. On consideration of Standing Order No. 22 of the Certified Standing Orders along with the circulars, Exts. H and H/1, dated 3rd October 1963 and 4th February 1965, and the memorandum of settlement, Ext. G, dated 30th October 1964. I find that in case of a vacancy arising in the next higher post, a workman is called to appear in a trade test after scrutinising the other relevant factors to be considered for promotion and under such considerations, coming out successfully in the trade test becomes the basic requirement for promotion as such. So, the contention of the learned lawyer for the O.P.—Company that barring coming out successful for a trade test, there are other factors for consideration by the O.P.—Company as to promotion of the concerned workmen as Turner Grade-I is and attempt to make out a case, in fact, which not only the O.P.—Company has never

made out either in its written statement or at the time of sending the letters, Exts. 3 and 5, dated 12th May 1966 and 31st May 1966, but is a position, which is no longer in existence after the circulars, Ext. H, dated 3rd October 1963 confirmed by the memorandum of settlement, Ext. G, dated 31st October 1964 and specially after the subsequent circular, Ext. H/1, dated 4th February 1965.

So, the admitted and accepted position after the first trade test relating to the concerned workmen held on 21st October 1965 was that the concerned workmen would be re-trade tested, the result of the trade test held on 21st October 1965 would be kept in abeyance and on their coming out successful, they would be treated at par with others, who came out successful in the trade test of 21st October 1965. Applying this admitted standard to the case of the present industrial dispute, Shri A. K. Sanyal has come out successful in the subsequent trade test held on 9th July 1971 and has been declared passed on 7th August 1971. He has also been promoted as Turner Grade-I, but not with effect from 3rd March 1966. Palpably, therefore, he is entitled to have the effect of his promotion as Turner Grade-I with retrospective effect since 3rd March 1966. As to the other concerned workmen, Shri C. R. Joardar, he has not yet passed the trade test and, therefore, he cannot be entitled to any promotion as Turner Grade-I, until and unless he passes the trade test. Certain other contentions of the learned lawyers of both sides, however, have tried to give a few torsions and twists to this simple position.

The learned lawyer for the O.P.—Company submits that the management merely offered that the concerned workmen would be re-trade tested and that would be re-trade testing as per rules, which means that the concerned workmen must submit applications in requisite forms after failure in the first trade test. He has relied upon the application for trade test Ext. A filled up and sent by Shri A. K. Sanyal on 29th December 1966. Accepting his arguments for the time being, Exts. 3 and 5, letters, dated 12th May 1966 and 31st May 1966, would show that the result of the trade test, dated 21st October 1965, was kept in abeyance and so, there is no question of any of the concerned workmen having failed in that trade test or of the other workmen appearing in that trade test coming out successful and certainly the re-trade testing rules, on which the learned lawyer for the O.P.—Company pins his faith does not cover any rule for application of a re-trade test by a workman, who has not been unsuccessful in the previous trade test. On a perusal of the representations, Exts. 1 and 4, dated 4th March 1966 and 30th May 1966 respectively and letters, Exts. 2, 3 and 5, dated 3rd May 1966, 12th May 1966 and 31st May 1966, respectively, it would clearly appear that the management proposed to call the concerned workmen in a re-trade test. I would be rather inclined to point out that in Ext. 2, it refers to the concerned workmen to be 'allowed to re-appear for the trade test' and there is no reference to a re-trade test or the rules for appearance in such a re-trade test and in Ext. 3, it has been disclosed that both of the concerned workmen 'would be re-trade tested' and that would also show that the onus is upon the management to start the procedure. The learned lawyer for the O.P.—Company relies upon the statement of the concerned workmen as P. W. 1 in his cross-examination that in case of an unsuccessful candidate, he has to apply for a re-trade test after a period of 6 months and if the candidate does not apply, there is no scope for any re-trade test. I have already shown above that what was offered by the letter, Ext. 2, dated 3rd May 1966, and also by the letters, Exts. 3 and 5, dated 12th May 1966 and 31st May 1966, was not a re-trade test, in which an unsuccessful candidate is to apply after a period of six months and which cannot be held until and unless the candidates do not apply. It was clearly a case of not allowing the concerned workmen in the next re-trade test after coming out unsuccessful but of allowing them in a fresh trade test, because the first trade test was spoiled because of the defective machines given to them during the trade test. But even if the letters of the statements of P. W. 1 in cross-examination are to be accepted as giving out the rules for re-trade testing, then also the concerned workmen, whose results in the previous test were not available, the entire result of the trade test being kept in abeyance, they were never called upon to file any application for being allowed in a re-trade test after coming out unsuccessful in the previous trade test

The last contention of the learned lawyer for the O.P.—Company is that the concerned workmen were called in for appearance in fresh trade tests by the management. No document has been produced by the O.P.—Company to show that at any time after writing of the letters, Ext. 3, dated 12th May 1966 and Ext. 5, dated 31st May 1966, indicating the procedure to be followed in the case of the concerned workmen as to their being allowed to be re-trade tested, there was any intimation given to them for appearance in a re-trade test at all. There is no oral evidence as well by any of the witnesses examined by the O.P.—Company to show that any intimation as such for appearance in a trade test was given by the O.P.—Company to the concerned workmen. It has been ascertained from O.P.W. 1 Shri A. B. Bose, Assistant Training Officer, in his cross-examination that they do not issue notices to the candidate for the appearance in the trade test and they intimate the department concerned, who intimates the candidates and he does not know how the department concerned intimates the candidates. O.P.W. 2, Assistant Personnel Officer, has stated in his examination-in-chief that the dates fixed for holding the trade test are intimated to the workmen concerned verbally and if there is an alteration of the date already fixed, then and then only notices have been sent in writing on occasions. He has admitted in his cross-examination that there is no circular showing that informations are given for a trade test verbally to the workmen and that the trade tests are organised by the Training Department. Training Department fixes up the dates for holding the trade test in respect of different candidates and they intimate such dates to the department concerned and on many occasions, over telephone. He cannot say in all cases, which particular workman was intimated how as to the trade test by the particular department by written letters or otherwise. The O.P.—Company has not examined any other witness of the department, in which the concerned workmen were serving, to suggest that at any time after writing of the letters, Exts. 3 and 5, dated 12th May 1966 and 31st May 1966, any attempt was made to give the concerned workmen

any notice, written or verbal, to appear in a trade test before publication of the results of the trade test held on 21st October 1965, Ext. B, by way of violation of the procedures laid down by the letters, Exts. 3 and 5, dated 12th May 1966 and 31st May 1966 respectively. The learned lawyer for the O.P.—Company has relied upon the statement of P.W. 1 in his cross-examination that in the first trade test, he was verbally intimated. Certainly, this does not amount to proof of the existence of a system of verbal intimation by the O.P.—Company to the workmen selected for appearance in a re-trade test and even if, it amounts as such, this cannot be accepted to be a proof of the fact that the O.P.—Company at any time after writing of the letters, Exts. 3 and 5, dated 12th May 1966 and 31st May 1966, sent any verbal intimation to any of the concerned workmen before publication of the results of the trade test held on 21st October 1965, Ext. B or even giving the other workmen, who came out successful in the trade test held on 21st October 1965, promotion as Turner Grade-I with effect from 3rd March 1966. So, I hold that the O.P.—Company never gave any intimation to the concerned workmen for appearance in any trade test. The learned lawyer for the Petitioner-Union urges that failure of the O.P.—Company to comply with the procedure laid down by the letters, Exts. 3 and 5, dated 12th May 1966 and 31st May 1966, would entitle the concerned workman Shri C. R. Joardar also to get promotion as Turner Grade-I. Certainly, this contention cannot be accepted as Standing Order No. 32 read with the circulars, Ext. H, dated 3rd October 1963, memorandum of settlement, Ext. G, dated 31st October 1964 and the circular, Ext. H/1, dated 4th February 1965, would be standing in the way. So, I find that amongst the concerned workmen, Shri A. K. Sanyal is entitled to promotion as Turner Grade-I with effect from 3rd March 1966 and all the ancillary relief as such, as if he has been promoted on that date. The other concerned workman Shri C. R. Joardar having not passed in the trade test till this date, certainly, cannot be entitled to any promotion to the post of Turner Grade-I without passing such trade test and thus, there is no question of considering further whether his promotion can be made to take effect since 3rd March 1966. This Tribunal is entitled to pass an award holding that Shri C. R. Joardar would be entitled to promotion as Turner Grade-I on his passing the trade test, but cannot pass a contingent award with retrospective effect holding that he would be getting promotion as Turner Grade-I on passing the trade test with effect from 3rd March 1966 and so, in his case, he is neither entitled to promotion as Turner Grade-I on this date and no relief is available to him at least for the present.

This is my award.

AWARD

This is a reference under section 10 of the Industrial Disputes Act, 1947, in respect of an existing dispute between Messrs. New Printers Co., 20-A S. N. Banerjee Road, Calcutta-13, and their workmen represented by West Bengal Press Workers' and Employees' Union 84/1A Bepin Behari Ganguly Street, Calcutta-12, relating to the dismissal of an employee of the Company. The Government of West Bengal, Labour Department, at first made the reference to the Sixth Industrial Tribunal, under G. O. No. 1208-I.R./IR/13L-55/72, dated the 12th February 1973, and thereafter by its G. O. No. 3960-I.R./IR/13L-55/72, dated the 28th May 1973, withdrew the proceedings from that Tribunal and transferred the same to this Tribunal for disposal for

reasons mentioned in the order. The issue for adjudication is as follows:

Issue

Whether the dismissal of Shri Kamalesh Chandra Mondal is justified? What relief, if any, is he entitled to?

2. On receipt of the reference in this Tribunal on 31st May 1973, usual notices were served on both the parties and they entered appearance, and filed their respective written statements. After the routine steps were over the case was heard on some preliminary issues raised by the Company as to the legality of the reference. Both the sides adduced evidence and on hearing them the preliminary objections taken by the Company have been negatived holding that the reference is valid and in order. The case was then set down for hearing on merits and, at the instance of the Company it has been heard on the validity of the domestic enquiry.

3. Shortly stated, the material and relevant case of the Union has pleased in its written statement is that the concerned workman Shri Kamalesh Chandra Mondal was employed as a compositor in the Company and his pay was Rs. 150 at the time of his dismissal. On or about 31st January 1972, the concerned workman was served with a charge-sheet, dated 31st January 1972, alleging that he had committed an act of misconduct due to his habitual absence without proper leave or permission. On or about 8th February 1972, the concerned workman gave a written reply to the charge-sheet denying the allegations and submitting his explanation. On 25th February 1972, he received a notice from the Company that an enquiry into the charge-sheet would be held on 10th March 1972 at 2 p.m. at 7 Lyons Range. He could not attend the enquiry on that date being sick and on 13th March 1972 he received another notice informing him that the enquiry would be held on 30th March 1972. The workman wrote a letter to the management of the Company requesting them to hold the enquiry in the press of the Company to enable him to produce his witnesses in the enquiry. But the management did not accede to his request. The workman appeared before the enquiry on 30th March 1972 with his documents but the Enquiry Officer did not record those documents as there was no enquiry held on that date. Then on 3rd April 1972, the workman received a letter of dismissal from the Company terminating his services with effect from 3rd April 1972. The workman wrote a letter to the Company protesting against the order of dismissal. It has been contended that the concerned workman was denied all opportunities for self defence before he was dismissed by the Company and the action of the Company against him his malafide being by way of victimisation and unfair labour practice. It has been said that the order of dismissal is accordingly unjustified and the concerned workman is entitled to re-instatement with full back wages and other benefits.

4. The case of the Company in brief, so far as material as adumbrated in its written statement, is as follows:

Shri Kamalesh Ch. Mondal was charge-sheeted for habitual absence without proper leave or permission by the Company's letter, dated 31st January 1972, enclosing therewith a detailed statement of the periods of his absence during the year 1971 and the nature thereof. As the explanation of Shri Mondal was found unsatisfactory, the management held a domestic enquiry into the charge-sheet after due notice to Shri Mondal. As Shri Mondal did not appear in the enquiry fixed on 10th March 1972, the Enquiry Officer in consideration of a medical certificate received by the Company, suo moto adjourned the enquiry to 30th March 1972 at 2 p.m. and intimated the same to Shri Mondal. In reply to Shri Mondal's request for a change of the place of enquiry, the Company on the very date by its letter, dated 29th March 1972, handed over to Shri Mondal personally informed its difficulty to change the venue of enquiry and assured that he would be given facilities to produce his witnesses before the enquiry if he put the names of such witnesses beforehand who were in the Company's service. On 30th March 1972 the enquiry was held as scheduled and Shri Mondal participated in the enquiry and was given all opportunities of self defence. At the concluding stage of the enquiry Shri Mondal went out of the place on the plea to attend natures call but he did not return and the Enquiry Officer waiting for him for half an hour, closed the enquiry at 6 p.m. On 1st April 1972 the Enquiry Officer submitted his report and finding holding Shri Mondal guilty of the charge. On a consideration of the report and findings of the Enquiry Officer the management of the Company accepted the findings and decided to dismiss Shri Mondal from service and accordingly issued the letter of dismissal to Shri Mondal terminating his service with effect from 3rd April 1972. It has been contended that Shri Mondal was dismissed from service after a fair and proper domestic enquiry following the principles of natural justice and that his dismissal is proper and justified and that he is not entitled to any relief.

5. The documents produced by the Company have been marked Exbts. A to J/1. They include various documents in connection with the domestic enquiry against Shri Mondal such as the charge-sheet with a statement of the periods of absence of Shri Mondal during 1971 and the nature thereof, Ext. B, his written explanation, Ext. C, notices of enquiry, Exts. D and E, proceedings of enquiry, together with some other documents forming part thereof, Ext. H, and enquiry report and findings, Ext. 1. The Company has examined the Enquiry Officer Shri Nihar Ranjan Sen Gupta, O.P.W. 2, Ext. A, dated 25th February 1972, is a copy of the letter of the Company whereby Shri Sen Gupta was appointed Enquiry Officer to enquire into the charge-sheet against Shri Mondal. O.P.W. 2 has deposed on various matters in connection with the said enquiry. He has said that there was a proper and fair enquiry held on 30th March 1972 and the opposite party workman participated in the enquiry and he was afforded all opportunities of defence including inspection of Company's documents, cross-examination of Company's witness and also to produce his own document and witness. He has also said that the statement of the witness recorded by him was explained in Bengali. But according to him Shri Mondal declined to cross-examine the Company's witness or to sign the statement of the witness or to produce his own witness. On the other hand the opposite party workman Shri Kamalesh Ch. Mondal (P.W. 1) has said that on 30th March 1972 he presented himself to the place of

enquiry at 2 p.m. but did not find there either the Enquiry Officer or any one on the side of the Company. It has accordingly been urged on the side of the opposite party workman that there was no enquiry held on 30th March 1972 and the enquiry proceeding is subsequently manufactured document.

6. It is very interesting to note what the opposite party workman has said in his letter Ext. 7, dated 11th April 1972, addressed to the Company. In this connection we should also refer to paragraphs 19 and 20 of the Union's written statement where this letter has been mentioned. Ext. 7 which is in reply to the letter of dismissal Ext. J recites as follows :

> 'On 30th March 1972, no formal enquiry was held as stated in your aforesaid letter. I had taken with me the documents on which I relied and which I showed to the Enquiry Officer..... . He asked me to submit the papers to him but I declined.....

At least the physical presence of the Enquiry Officer on the scheduled date at the place of enquiry is admitted in the letter. In the context the story sought to be introduced in evidence by the workman does not stand a moment scrutiny. The workman has wanted to give an explanation that it was on 29th March 1972 in the Company's office when he produced his documents before the Enquiry Officer. The explanation is completely incompatible and inconsistent even with the pleadings and must be thrown away. This shows that the workman has hardly any regard for truth and the Union's story in this behalf cannot be accepted. The O.P.W. 1 Shri Narendra Kishore Chakraborty a director of the Company who was a witness in the enquiry has said that there was the enquiry held in respect of the charge-sheet issued to Shri Mondal. On a consideration of the available materials I see absolutely no reason to disbelieve the consistent evidence of the Enquiry Officer which is supported by documentary evidence. I find that there was the enquiry held on 30th March 1972 and the opposite party workman participated therein and was afforded all opportunities of defence. An argument has been advanced by the learned advocate for the Union that O.P.W. 2 Shri Sen Gupta has said in cross-examination that on 30th March 1972 at about 12 noon he went to the place of enquiry and started the enquiry at about 1 p.m. as against the scheduled time of 2 p.m. Obviously this appears to be a mistake due to lapse of memory as he was deposing about event which took place more than three years back. In fact the enquiry proceeding, Ext. H, which is the contemporaneous record will bear out that the enquiry was started on 30th March 1972 at 2 p.m. A suggestion of bias was drawn to O.P.W. 2 in his cross-examination which he repudiated categorically. O.P.W. 2 is an outsider having no connection with the Company, as he has asserted on oath and there is absolutely no materials worth the name to sustain the allegation of bias against him. Besides, it does not appear from the record that any objection was taken to this gentleman holding the enquiry. As regards the objection to the place of enquiry initially taken by the workman, the Company in its letter, Ext. G personally delivered to the workman has stated why a change of venue would not be feasible and assured him of facilities to produce his witnesses. Be it mentioned here, that rules of natural justice do not require that an enquiry must necessarily be held at the place of employment,, vide 1969(I), L.L.J.-414 at page 450, page 300 and page 302. The learned advocate for the Union has then submitted that the findings of the Enquiry Officer are based on extraneous evidence and suffer from basic errors of facts and are perverse. I have gone through his report and findings, Ext. I, with the enquiry proceeding and other materials available. He has discussed the different aspects of the evidence and has given his findings on the charge, based on evidence and on good grounds. He has clearly held the opposite party workman guilty of habitual absence without proper leave or permission as alleged in the charge-sheet. There is no perversity or legality in the findings which, to my mind, are a possible and proper findings on the evidence.

7. On a careful consideration of the available materials I am satisfied that there was a fair and proper domestic enquiry held into the charge-sheet against Shri Mondal in confirmity with the principles of natural justice and he was given all reasonable opportunities of defence. The findings of the Enquiry Officer holding the opposite party workman guilty was just and proper. The management of the Company, it appears, considered and accepted the report of the Enquiry Officer and found the workman guilty of the charge levelled against him and dismissed him from service and issued the letter of dismissal, Ext. J. There is absolutely no worth evidence to sustain the allegation of malafide, victimisation or unfair labour practice on the part of the management in the instant case.

8. Under the circumstances discussed above, I hold that the dismissal of Shri Kamalesh Chandra Mondal from service under the Company is justified. He is not entitled to any relief in this reference.

AWARD

The Labour Department, Government of West Bengal, referred an industrial dispute existing between Messrs Kissenlal Ratanlal, 3/1 Diamond Harbour Road, Calcutta-23, and their workmen represented by Kidderpore Dokan Karmachari Union, 5 Orphangunj Market, Calcutta-23, to this Tribunal by its Order No. 4290-I.R., dated 20th May 1970, for adjudication upon the matter under section 10 of the Industrial Disputes Act, on the following issue :—

Issue

Whether the termination of services of (1) Shri Baleswar Prosad, (2) Shri Ganga Roy, and (3) Shri Kesho Prosad is justified? To what relief, if any, are they entitled?

This reference under section 10 of the Industrial Disputes Act was received in this office on 26th May 1970. The parties appeared in the case and filed their respective written statements. Presently, Shri K. K. Moitra, Advocate, represented the Company and Shri S. K. Dhar, Advocate, represented the workmen. The case was heard and passing of the award was reserved when on the prayer of the Company the case was re-opened. But ultimately, the case has been compromised.

Perused the petition of compromise. It has been signed by one Shri Brij Mohan Chowdhury, the managing partner of the firm as well as by their authorised advocate Shri K. K. Moitra. From the side of the Union is has been signed by Shri Ramani Mohan Dutta, President of the Union, the two concerned workmen and by their advocate Shri S. K. Dhar. So, it is a lawful compromise having been executed by proper persons.

Perused also the terms. By the settlement the two workmen in reference, namely, Ganga Roy and Kesho Prosad, give up their claims for reinstatement or re-employment in consideration of getting a lump sum amount of Rupees Six thousand only together in full and final settlement of all their claims, besides arrears of salary, if any. The payments have been made today (8th December 1975) for which receipts have been filed before the tribunal. The terms therefore, appear to be only but just, fair, reasonable and proper.

I find, therefore, no reason not to accept the terms and to pass an award on the basis thereof. Accordingly, accepting the settlement I pass an award on compromise in terms thereof as prayed for. The compromise petition along with the receipts do form part of the award as Annexure 'A'. So far as Baleswar Prosad is concerned, a 'no-dispute' award is passed, as his case was not pressed by the Union.

This is my award.

Pursuant to service of notices both parties appeared and filed their respective written statements. Thereafter on 7th March 1972 the proceeding was stayed till disposal of an appeal before the Hon'ble High Court. Thereafter 5th January 1974 was fixed for hearing of the case on merit and several adjournments were made on different grounds. Ultimately, on 28th May 1975 hearing of the case commenced and continued till 29th October 1975. On that date on both parties prayer, 6th December 1975 was fixed for compromising the matter and ultimately on 20th December 1975 both parties filed a joint petition of compromise under the signatures of the workman concerned Shri S. K. Har, his lawyer Shri Nilay Kumar Ghosh, Shri Manindra Kumar Sen, Executive of the Company and their lawyer Shri S. Sarkar. A cheque of Rs. 6,000 was paid to the workman concerned in terms of the settlement. Both parties were examined and they supported the settlement in toto. And whereas the said Second Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

ANNEXURE

In the matter of an industrial dispute between Messrs Glaxo Laboratories (India) Ltd., 50 Hide Road, Calcutta 27, and their workman Sri Samaresh Kumar Chakraborty, 4/A, Tinkori Ghosh Lane, Calcutta-26 (Case No. VIII-216/73).

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri SUDHIR RANJAN ROY, Judge,
Second Industrial Tribunal

By order No. 6793-IR/IR/11L-751/71, dated the 19th October 1973, the Labour Department, Government of West Bengal, referred an industrial dispute between Messrs Glaxo Laboratories (India) Ltd., 50 Hide Road, Calcutta-27, and their workman Shri Samaresh Kumar Chakraborty, 4/A Tinkori Ghosh Lane, Calcutta-26, to this Tribunal under section 10 read with section 2A of the Industrial Disputes Act, 1947, for adjudication on the following issue :

Issue

Whether the termination of service of Shri Samaresh Kumar Chakraborty is justified? To what relief, if any, is he entitled?

The reference was received by this Tribunal on 6th November 1973 and thereafter notices were issued to the parties, who entered appearance and filed their respective written statements.

The workman's case, in brief, is as follows :

By a letter dated November 28, 1969, written and signed by the Company's Personnel Officer, the workman Shri Samaresh Kumar Chakraborty was employed by the Company through Employment Exchange as a Grade III Clerk on a temporary basis on a basic salary of Rs. 115 per month. The workman was in service till November 2, 1970, but suddenly from 3rd November 1970 he was not allowed to join his duties. According to the workman this termination of his service by the Company without any charge-sheet etc. and without any prior notice is illegal and mala fide. Repeated verbal requests being of no avail, the workman ultimately raised a dispute in writing with the Management by his letter dated 26th April 1971. As no action was taken by the Company the workman referred the matter to the Labour Commissioner and the present reference was made.

The Company's contention inter alia is that the workman did not raise any dispute with the Management before referring the matter to the Labour Commissioner and that being so, the present dispute is not an industrial dispute. That the concerned workman was appointed purely on temporary basis with effect from 10th November 1969 and he worked up to 21st August 1970 when he was released on payment of his full legal dues. Thereafter the workman joined the Company on casual basis on and from 22nd September 1970 and worked as such till 2nd November 1970 and was paid off on the said date in full and final settlement of his dues. That, as the workman did not commit any misconduct no charge-sheet was issued to him and no enquiry was held. That in the aforesaid circumstances the workman is not entitled to any relief, whatsoever.

Appearances :

Shri S. Sarkar, Advocate, for the Company, Shri N. C. Saha, Advocate, for the Company—represented by Messrs Khaitan & Co., Solicitors.

Shri Patit Paban Pathak for the workman.

Findings

Annexure 'A' to the workman's written statement is his letter of appointment dated 28th November 1969 and it shows that he was appointed purely on a temporary basis and his services were liable to termination without notice. This is also admitted by both sides.

Now, whatever might have been stated by the workman in his written statement, he stated before me on being cross-examined by the Company's Advocate that he joined the Company on a temporary basis with effect from 10th November 1969 and served up to 21st August 1970 when he was paid off his full legal dues. He also admitted that thereafter he was reinstated with effect from 22nd September 1970, and served up to 2nd November 1970. According to the Company he was reinstated as a casual worker from 22nd September 1970 and in support of it the relevant pay sheets (Exts. C series) are produced which conclusively proved the Company's contention that with effect from 22nd September 1970 the concerned workman had been working on a casual basis. On being cross-examined the workman admitted before me that up to 21st August 1970 he drew his wages on monthly basis, but with effect from 22nd September 1970 he had been drawing wages on daily basis by signing vouchers. He, however, qualified his statement by telling that he received payments on vouchers against his wishes, but no such allegation was ever made by him at the material time and no such case has also been made out in his written statement. That being so, the evidence of the workman that he had been signing the vouchers against his own wishes seems to be an afterthought. Accordingly, I hold on the basis of the evidence adduced by the Company that with effect from 22nd September 1970 the concerned workman served the Company as a casual labour up to 2nd November 1970. His initial appointment as a temporary Clerk came to an end on 21st August 1970 and admittedly no dispute was raised by the workman against it. This will appear from the evidence of the workman himself before me. It is also admitted at that time he received his full legal dues. His subsequent appointment on casual basis commencing from 22nd September 1970 came to an end on 2nd November 1970 and on behalf of the Company its Personnel Officer, P. V. Prabhu (OPW1) stated that the workman was paid all his legal dues by the Management and it is significant to note that he was not cross-examined on this point. So, in both the cases the workman was paid all his legal dues in full. As a matter of fact the workman did not state before me that his legal dues were not paid by the Company.

Now, as it appears from the materials on record the services of the concerned workman were not terminated for any misconduct and that being so, no charge-sheet was issued against him. His letter of appointment shows that his services could be terminated by the Company without notice. His reinstatement on casual basis with effect from 22nd September 1970 did not improve the position. It is also not the case of the workman that he, was reinstated on permanent basis. That being so, it cannot be said that the Company did not have any authority to terminate his services without notice. I may observe in this connection that the workman in his written statement has completely suppressed the fact of termination of his previous temporary service and reinstatement on casual basis with effect from 22nd September 1970. His written statement shows that he was in continuous service up to 2nd November 1970, but this is not the real fact as it will appear from the Company's written statement and the evidence of the workman himself before me. A question may, however, arise whether the workman was reappointed on casual basis as alleged by the Company, but as already stated, this part of the story does not appear in the workman's written statemnet and it has nowhere been alleged that the work which the workman was required to do on his reappointment was not of a casual nature. On being cross-examined before me the workman stated that he could not say whether he worked on casual basis from 22nd September 1970 to 2nd November 1970 We have also seen that the workman, who is a literate person, drew his wages on daily basis by

signing the pay-sheets (Exts. C series) meant exclusively for casual labour. These are circumstances to show that the workman knew that he was appointed on a casual basis. It is true, that a duty was also cast upon the Company to show that the workman was reappointed on casual basis and that the nature of the work he was required to do was temporary or casual in nature, but the workman not having raised that point in his written statement and on the other hand having totally suppressed the fact of reappointment with effect from 22nd September 1970, the Company cannot be blamed for not producing further materials to prove that the workman was reappointed purely on a casual basis. In this connection a question may arise whether the Company's action in appointing persons on temporary basis for short periods to do permanent nature of work is mala fide or not. However, there is nothing dependable in the present case to show that the workman was appointed in a permanent post or had to do a permanent nature of work. On the other hand the workman's own case in paragraph 6 of his written statement is that all appointments under the Company are initially on temporary basis and the appointees are subsequently made permanent. In the present case also we find from the evidence of OPW1 P. V. Prabhu, the Company's Personnel Officer, that after 2nd November 1970 the concerned workman was called for test for a permanent appointment and this is borne out by the letter, Ext. 1, dated 17th November 1970. Accordingly, it will not be absolutely unreasonable to hold that the concerned workman was reappointed on a casual basis. His initial appointment also was purely on temporary basis and his services were liable to be terminated without notice, as we have already seen earlier. It further appears that the concerned workman was appointed as a Clerk in the Company's head office and as he put in less than two months of service from 22nd September 1970, the Company was not duty bound to assign any reason for the termination of his services under the provisions of the Shops and Establishments Act, West Bengal.

In the aforesaid circumstances, I am inclined to hold that the termination of service of the concerned workman Shri Samaresh Kumar Chakraborty cannot be said to be unjustified.

Now, before I finally dispose of the matter, I like to deal with a preliminary objection raised by the Company.

It was contended on behalf of the Company that the workman not having raised any dispute with the Management before referring the matter to the Labour Commissioner, the present dispute did not assume the character of an industrial dispute. It is true that the workman's first written representation to the Management is dated 26th April 1971 (Ext. A) and since before that the matter was pending before the Conciliation Officer (Ext. D), but the workman has specifically stated in his written statement that earlier he made verbal representations to the Management (paragraph 9 of his written statement) and he also stated this fact in his written representation (Ext. A). Before me the workman stated that he approached Dr. Sharma, the Manager; Mr. D. Maduri, his immediate boss, as well as Mr. J. C. Nath, a Sales Officer, but to no effect. This was categorically denied by the Company's Personnel Officer Mr. P. V. Prabhu, but the Company did not care to produce any one of the aforesaid three persons named by the workman to deny that any representation was made before him verbally by the concerned workman for reinstatement.

In the aforesaid circumstances, I have no reasons to disbelieve the story made out by the workman regarding earlier verbal representations made by him. That being so, I hold that dispute was raised by the workman with the Management verbally before the matter was referred to the Labour Commissioner and as such the present dispute is an industrial dispute.

Be that as it may, the termination of the services of the concerned workman not being unjustified, he is not entitled to any relief, whatsoever.

The issue under reference is disposed of accordingly.

This is my award.

ANNEXURE II

Formula for fixation of pay in the revised scales

[Reference para. 3 of Government Order No. 372-Edn. (C.S.), dated 7-4-75]

The initial pay in the revised scales shall be fixed in the following manner:—

I. (A) In the case of a teacher drawing basic pay up to and including Rs.1,800 in the existing scale—

(*a*) an amount representing five per cent. of the basic pay, subject to a minimum of Rs.15 and a maximum of Rs.50, shall be added to the existing emoluments of the teacher.

Explanation I—Existing emoluments means Basic Pay plus Dearness Pay plus Dearness Allowance plus Interim relief, if any, sanctioned during 1-3-70 and 1-1-1973 and not any other allowance.

Explanation II—If the amount so computed includes a part of a rupee, then, if such part is fifty paise or more, it shall be increased to one complete rupee and if such part is less than fifty paise, it shall be ignored.

(*b*) after the existing emoluments have been increased and computed as specified in clause (*a*), the pay shall be fixed in the revised scale at the stage equal to the amount so computed or, if there is no such stage in the revised scale, at the stage next above the amount so computed:

Provided that:

(*i*) if the amount as computed under clause (*a*) is less than the minimum of the revised scale, the pay shall be fixed at the minimum of that scale;

(*ii*) if the amount as computed under clause (*a*) is more than the maximum of the revised scale, the pay shall be fixed at the maximum of that scale:

Provided further that except in cases where the pay is fixed at the minimum of the revised scale, if the revised emoluments as determined under this sub-rule exceed the existing emoluments by more than Rs.100, the initial pay shall be fixed at the highest stage in the revised scale at which the revised emoluments payable do not exceed the existing emoluments by Rs.100 and the difference, if any, between the existing emoluments plus Rs.100 and the revised emoluments so payable shall be allowed as personal pay to be absorbed in future increases in pay.

Explanation—Revised emoluments means the Basic Pay of the teacher in the revised scale.

(B) In the case of a teacher drawing basic pay exceeding Rs.1,800 in the existing scale, the initial pay in the revised scale shall be fixed under the provisions of Fundamental Rule 22, 23 and 31 and for this purpose, his pay in the existing scale shall be deemed to include the dearness allowance, if any, drawn by him.

Note 1.—Where a teacher is holding a permanent post and is officiating in a higher post and the scales applicable to these two posts are merged into one scale, the pay shall be fixed under this sub-rule with reference to the officiating post only, provided he has continuously officiated in that post for not less than one year as on the 1st day of January 1973 and the pay so fixed shall be treated as substantive pay. Where such teacher has not completed one year's continuous service in the higher officiating post as on the 1st day of January 1973, his pay in the revised scale shall be fixed separately with reference to his substantive pay and officiating pay in the existing scales and his pay in the revised scales fixed with reference to the officiating pay shall be treated as substantive pay in that scale either on confirmation in the higher officiating post or after rendering service for the period by which it fell short of one year on the 1st day of January 1973, whichever is earlier, provided that in the latter case, it is certified by the appointing authority that he would have continued to officiate in the higher officiating post during this period had the revised scales not been introduced. If, however, the appointing authority certifies that he would have reverted to the lower post during this period, his pay in the revised scale would, from the date on which he would have reverted, be regulated on the basis of the pay fixed on the 1st day of January 1973, with reference to his substantive pay in the lower post.

Note 2.—Where the existing emoluments exceed the revised emoluments in the case of any teacher, the difference shall be allowed as personal pay to be absorbed in future increases in pay.

Note 3.—Where in the fixation of pay under clause (*b*) of paragraph (A) or paragraph (B) the pay of a teacher drawing pay at more than five consecutive stages in an existing scale gets bunched, that is to say, gets fixed in the revised scale at the same stage, the pay in the revised scale of such of these teachers who are drawing pay beyond the first five consecutive stages in the existing scale shall be stepped up to the stage where such bunching occurs, as under, by the grant of increment(s) in the revised scale in the following manner, namely:—

(*a*) for teachers drawing pay from the 6th up to 10th stage in the existing scale—By one increment.

(*b*) for teachers drawing pay from the 11th up to the 15th stage in the existing scale, if there is bunching beyond the 10th stage—By two increments.

(*c*) for teachers drawing pay from the 16th up to 20th stage in the existing scale, if there is bunching beyond the 15th stage—By three increments.

If by stepping up of the pay as above, the pay of a teacher gets fixed at a stage in the revised scale which is higher than the stage in the revised scale at which the pay of a teacher who was drawing pay at the next higher stage or stages in the same existing scale is fixed, the pay of the latter shall also be stepped up only to the extent by which it falls short that of the former.

Note 4.—Where in the fixation of pay under clause (*b*) of paragraph (A) or paragraph (B) the pay of a teacher, who in the existing scale was drawing immediately before the 1st day of January 1973 more pay than another teacher junior to him in the same cadre, gets fixed in the revised scale at a stage lower than that of such junior his pay shall be stepped up to the same stage in the revised scale as that of the junior.

Note 5.—Where as on the 1st day of January 1973, a teacher is in receipt of personal pay (including ad-hoc increment, if any, on account of stagnation at the maximum of the existing scale) which together with his existing emoluments exceeds the revised emoluments, then, the difference representing such excess shall be allowed to such teacher as personal pay to be absorbed in future increases in pay.

II. Date of next increment in the revised scale: The next increment of a teacher whose pay has been fixed in the revised scale in accordance with rule I shall be granted on the date he would have drawn his increment, had he continued in the existing scale:

Provided that in cases where the pay of a teacher is stepped up in terms of Note 3 to rule I, the next increment shall be granted on the completion of qualifying service of twelve months from the date of the stepping up of the pay in the revised scale:

Provided further that, in cases other than those covered by the preceding proviso, the next increment of a teacher whose pay is fixed on the 1st day of January 1973 at the same stage as the one fixed for another teacher junior to him in the same cadre and drawing pay at a lower stage than his in the existing scale, shall be granted on the same date as admissible to his junior, if the date of increment of the junior happens to be earlier.

Explanation.—For the purpose of this rule, increment shall be construed to mean stages in the time scale and not necessarily actual increases in pay (that is to say, where an increment in any scale is not annual, the increment shall be construed as carrying as many stages as the number of years of service required to be rendered for earning an increment).

III. Cases of pay fixation which cannot be covered by the principles enunciated above and also those where the application of the above principles gives rise to anomalies should be referred to the Education Department (through the Director of Public Instruction in case of college teachers).
